

# SAFETY DATA SHEET

Issuing Date 10 February 2023

Revision Date 7 July 2025

Revision Number 1

The supplier identified below generated this SDS using the UL SDS template. UL did not test, certify, or approve the substance described in this SDS, and all information in this SDS was provided by the supplier or was reproduced from publically available regulatory data sources. UL makes no representations or warranties regarding the completeness or accuracy of the information in this SDS and disclaims all liability in connection with the use of this information or the substance described in this SDS. The layout, appearance and format of this SDS is © 2014 UL LLC. All rights reserved.

## 1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY/UNDERTAKING

### Product identifier

Product Name Rescue! FlyPad

### Other means of identification

Model Numbers FP2, FP3

### Recommended use of the chemical and restrictions on use

Recommended Use Flying Insect Cardboard Adhesive Glue Trap – Non-Aerosol + No insecticides/pesticides/toxicants + No Chemical Attractants/Lures

Uses advised against No information available

### Details of the supplier of the safety data sheet

Supplier Name Sterling International, Inc  
Supplier Address 3808 N Sullivan Rd Bldg 16  
Spokane Valley, WA 99216 USA  
Supplier Phone Number Phone:509-926-6766  
Fax:509-928-7313  
Supplier Email info@rescue.com  
Emergency telephone number 509-926-6766

## 2. HAZARDS IDENTIFICATION

### Classification

This product is not classified or considered hazardous under the 2012 and 2024 OSHA Hazard Communication Standard (29 CFR 1910.1200)

**GHS Label elements, including precautionary statements****Emergency Overview**

**Signal Word & Pictogram: None**

**Hazard Statements:**

None—product not classified as hazardous.

**Precautionary Statements:**

P235 Keep cool

P271 Use only outdoors or in well-ventilated area.

P302+P352 IF ON SKIN: Wash with plenty of soap and water

P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

P501 Dispose of contents/container in accordance with local regulations

The product contains no substances which at their given concentration, are considered to be hazardous to health

**Appearance** Colored Pattern

**Physical State** Paper Solid

**Odor** None

**Precautionary Statements - Prevention**

None

**Precautionary Statements - Response**

None

**Precautionary Statements - Storage**

Store in a cool, dry, well-ventilated location out of reach of children and pets.

**Precautionary Statements - Disposal**

None

**Hazards not otherwise classified (HNOC)**

Not applicable

**Other information**

May cause slight eye irritation.

**Interactions with Other Chemicals**

No information available.

**3. COMPOSITION/INFORMATION ON INGREDIENTS**

| Chemical Name         | CAS No.     | Weight-% | Trade Secret |
|-----------------------|-------------|----------|--------------|
| Supplier Trade Secret | Proprietary | 60 - 100 | *            |

\*The exact percentage (concentration) of composition has been withheld as a trade secret

**4. FIRST AID MEASURES****First aid measures****General Advice**

Show this safety data sheet to the doctor in attendance.

**Eye Contact**

In case of eye contact with trap's glue, rinse eye thoroughly with plenty of water, also under the eyelids. If symptoms persist, call a physician.

**Skin Contact**

In case of skin contact with trap's glue, adhesive can be removed with mineral oil, baby oil or petroleum jelly (Vaseline®). After removing adhesive, wash affected area with soap and water. In the case of skin irritation or allergic reaction see a physician.

**Inhalation**

Remove to fresh air. If symptoms persist, call a physician.

**Ingestion**

Do NOT induce vomiting. Drink plenty of water. If symptoms persist, call a physician.

**Most important symptoms and effects, both acute and delayed**

**Most Important Symptoms and Effects**    None

**Indication of any immediate medical attention and special treatment needed****Notes to Physician**

Treat symptomatically.

## 5. FIRE-FIGHTING MEASURES

### Suitable Extinguishing Media

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

### Unsuitable extinguishing media

None

### Specific Hazards Arising from the Chemical

No information available.

### Hazardous Combustion Products

Carbon oxides.

### Explosion Data

Sensitivity to Mechanical Impact No.

Sensitivity to Static Discharge No.

### Protective equipment and precautions for firefighters

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

## 6. ACCIDENTAL RELEASE MEASURES

### Personal precautions, protective equipment and emergency procedures

Personal Precautions Avoid glue contact with eyes.

### Environmental Precautions

Environmental Precautions Refer to protective measures listed in Sections 7 and 8.

### Methods and material for containment and cleaning up

Methods for Containment Prevent further leakage or spillage if safe to do so.

Methods for cleaning up Pick up and transfer to properly labeled containers.

## 7. HANDLING AND STORAGE

### Precautions for safe handling

Handling Handle in accordance with good industrial hygiene and safety practice. Avoid contact with trap's glue and eyes.

### Conditions for safe storage, including any incompatibilities

Storage Store in a cool, dry, well-ventilated location out of reach of children and pets.

Incompatible Products None known based on information supplied.

## 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

### Control parameters

#### Exposure Guidelines

| Chemical Name         | ACGIH TLV                 | OSHA PEL                                                                                                                                                                                         | NIOSH IDLH                                                                       |
|-----------------------|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------|

### Appropriate engineering controls

|                      |                                                    |
|----------------------|----------------------------------------------------|
| Engineering Measures | Showers<br>Eyewash stations<br>Ventilation systems |
|----------------------|----------------------------------------------------|

### Individual protection measures, such as personal protective equipment

|                          |                                                                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Eye/Face Protection      | No special protective equipment required.                                                                                                |
| Skin and Body Protection | No special protective equipment required.                                                                                                |
| Respiratory Protection   | No protective equipment is needed under normal use conditions. If irritation is experienced, ventilation and evacuation may be required. |
| Hygiene Measures         | Handle in accordance with good industrial hygiene and safety practice.                                                                   |

## 9. PHYSICAL AND CHEMICAL PROPERTIES

### Physical and Chemical Properties

|                |                 |                |                          |
|----------------|-----------------|----------------|--------------------------|
| Physical State | Paper Solid     | Odor           | None                     |
| Appearance     | Printed Pattern | Odor Threshold | No information available |
| Color          | Bright Colors   |                |                          |

| Property                               | Values            | Remarks/ Method |
|----------------------------------------|-------------------|-----------------|
| pH                                     | Not applicable    |                 |
| Melting / freezing point               | No data available |                 |
| Boiling point / boiling range          | No data available |                 |
| Flash Point                            | No data available |                 |
| Evaporation Rate                       | No data available |                 |
| Flammability (solid, gas)              | No data available |                 |
| Flammability Limit in Air              |                   |                 |
| Upper flammability limit               | No data available |                 |
| Lower flammability limit               | No data available |                 |
| Vapor pressure                         | No data available |                 |
| Vapor density                          | No data available |                 |
| Specific Gravity                       | No data available |                 |
| Water Solubility                       | Insoluble         |                 |
| Solubility in other solvents           | No data available |                 |
| Partition coefficient: n-octanol/water | No data available |                 |
| Autoignition temperature               | No data available |                 |

|                           |                   |
|---------------------------|-------------------|
| Decomposition temperature | No data available |
| Kinematic viscosity       | No data available |
| Dynamic viscosity         | No data available |
| Explosive properties      | No data available |
| Oxidizing Properties      | No data available |

**Other Information**

|                            |                   |
|----------------------------|-------------------|
| Softening Point            | Not applicable    |
| VOC Content (%)            | 0.0%              |
| Particle Size              | No data available |
| Particle Size Distribution |                   |

**10. STABILITY AND REACTIVITY****Reactivity**

No data available.

**Chemical stability**

Stable under recommended storage conditions.

**Possibility of Hazardous Reactions**

None under normal processing.

**Hazardous Polymerization**

Hazardous polymerization does not occur.

**Conditions to avoid**

None known based on information supplied.

**Incompatible materials**

None known based on information supplied.

**Hazardous Decomposition Products**

Carbon oxides.

**11. TOXICOLOGICAL INFORMATION****Information on likely routes of exposure**

|                            |                                                                                                                              |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Information</b> | Product does not present an acute toxicity hazard based on known or supplied information. .                                  |
| <b>Inhalation</b>          | Specific test data for the mixture is not available.                                                                         |
| <b>Eye Contact</b>         | Contact with trap's adhesive may possibly cause irritation with temporary redness, stinging and tearing.                     |
| <b>Skin Contact</b>        | Contact with trap's adhesive may possibly cause mild skin irritation.                                                        |
| <b>Ingestion</b>           | Ingestion causes irritation and gastrointestinal disturbance due to the paper, plastic, and adhesive components of the trap. |

**Component Information**

|               |           |             |                 |
|---------------|-----------|-------------|-----------------|
| Chemical Name | Oral LD50 | Dermal LD50 | Inhalation LC50 |
|---------------|-----------|-------------|-----------------|

|                       |                  |                     |                                      |
|-----------------------|------------------|---------------------|--------------------------------------|
| Supplier Trade Secret | > 5 g/kg ( Rat ) | > 2 g/kg ( Rabbit ) | > 5800 mg/m <sup>3</sup> ( Rat ) 4 h |
|-----------------------|------------------|---------------------|--------------------------------------|

### **Information on toxicological effects**

**Symptoms** Contact with trap's adhesive may possibly cause mild eye or skin irritation.

### **Delayed and immediate effects as well as chronic effects from short and long-term exposure**

|                                       |                                                                                                                              |
|---------------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| <b>Sensitization</b>                  | No known effect based on information supplied or no information available.                                                   |
| <b>Mutagenic Effects</b>              | No known effect based on information supplied or no information available.                                                   |
| <b>Carcinogenicity</b>                | This product does not contain any carcinogens or potential carcinogens as listed by OSHA IARC or NTP.                        |
| <b>Reproductive Toxicity</b>          | No known effect based on information supplied or no information available.                                                   |
| <b>STOT - single exposure</b>         | No known effect based on information supplied or no information available.                                                   |
| <b>STOT - repeated exposure</b>       | No known effect based on information supplied or no information available.                                                   |
| <b>Chronic Toxicity</b>               | No known effect based on information supplied or No information available.                                                   |
| <b>Target Organ Effects</b>           | No known effect based on information supplied or no information available.                                                   |
| <b>Aspiration Hazard</b>              | No known effect based on information supplied or no information available.                                                   |
| <b>Skin Corrosion</b>                 | No known effect based on information supplied or no information available.                                                   |
| <b>Skin Irritation</b>                | May possibly cause mild skin irritation otherwise no known effect based on information supplied or no information available. |
| <b>Skin Sensitization</b>             | No known effect based on information supplied or no information available.                                                   |
| <b>Serious Eye Damage</b>             | May possibly cause mild eye irritation otherwise no known effect based on information supplied or no information available.  |
| <b>Eye Irritation</b>                 | No known effect based on information supplied or no information available.                                                   |
| <b>Respiratory Sensitization</b>      | No known effect based on information supplied or no information available.                                                   |
| <b>Germ Cell Mutagenicity</b>         | No known effect based on information supplied or no information available.                                                   |
| <b>Specific Target Organ Toxicity</b> | No known effect based on information supplied or no information available.                                                   |
| <b>Aspirational Hazard</b>            | No known effect based on information supplied or no information available.                                                   |

**Numerical measures of toxicity   Product Information**

The following values are calculated based on chapter 3.1 of the GHS document

Not applicable

**12. ECOLOGICAL INFORMATION****Ecotoxicity**

The environmental impact of this product has not been fully investigated.

**Persistence and Degradability**

No information available.

**Bioaccumulation**

No information available

**Other adverse effects**

No information available.

**13. DISPOSAL CONSIDERATIONS****Waste treatment methods****Disposal methods**

This material, as supplied, is not a hazardous waste according to Federal regulations (40 CFR 261). This material could become a hazardous waste if it is mixed with or otherwise comes in contact with a hazardous waste, if chemical additions are made to this material, or if the material is processed or otherwise altered. Consult 40 CFR 261 to determine whether the altered material is a hazardous waste. Consult the appropriate state, regional, or local regulations for additional requirements.

**Contaminated Packaging**

Dispose of contents/containers in accordance with local regulations.

**California Hazardous Waste Codes**

N/A (No active pesticidal materials in the product(s)).

## 15. REGULATORY INFORMATION

### **International Inventories**

TSCA Complies  
DSL All components are listed either on the DSL or NDSL.

TSCA - United States Toxic Substances Control Act Section 8(b) Inventory  
DSL/NDSL - Canadian Domestic Substances List/Non-Domestic Substances List

### **US Federal Regulations**

#### **SARA 313**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

#### **SARA 311/312 Hazard Categories**

|                                   |    |
|-----------------------------------|----|
| Acute Health Hazard               | No |
| Chronic Health Hazard             | No |
| Fire Hazard                       | No |
| Sudden release of pressure hazard | No |
| Reactive Hazard                   | No |

#### **CWA (Clean Water Act)**

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

#### **CERCLA**

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material

### **US State Regulations**

#### **California Proposition 65**

This product does not contain any Proposition 65 chemicals.

### **U.S. State Right-to-Know Regulations**

### **International Regulations**

Canada  
WHMIS Hazard Class  
Non-controlled

Spokane Valley, WA 99216  
1-800-926-6766

**Issuing Date**

10 February 2023

**Revisions Date**

7 July 2025

**Revision Note**

Updated to be 2024 OSHA Hazard Communication Standards (29 CFR § 1910.1200) and GHS compliant. No Signal Word, Pictogram, or Hazard statement—product not hazardous. Precautionary statements -focus on consumer not getting cardboard surface glue on skin or eyes. Section 1 use statement and the Section 13 CA 232 waste code accurate. Glue Trap category accurate.

**Disclaimer**

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text
